HISTORY OF THE PORTAGE COUNTY FAIR ASSOCIATION

The first Portage County Fair Association was organized in 1869, and the first fair was held the same year.

The Portage County Fair was held at Amherst continuously from 1869 to 1917. In 1917, the officers of the association voted not to hold the 50th Fair that year (1918) but to have a big homecoming affair, because many of the boys were in World War I service. Later that year the state legislature passed a law which discontinued state aid to fairs not operating in 1918 and this forced the closing of the Portage County Fair.

Subsequently, the Portage County Advancement Association was organized, shares were sold and a cattle barn was erected. For a number of years annual cattle sales were held on the fairgrounds. With the coming of the depression years in the 1930's, these cattle sales were discontinued.

In 1949 the Amherst Lion's Club and local business people revived the fair. In 1950 the new Portage County Fair Association was formed and took over the management to make the fair an annual event.

The Fair, as originally founded, was intended to serve the community by way of fostering and promoting the interests of youth in 4-H and FFA programs. It was intended that the youth of the community and surrounding area should have an opportunity to exhibit agricultural skills and compete for prizes, trophies, and recognition, all under the guidance of qualified 4-H and FFA leaders. The Fair itself, running for three full days, is the culmination of hard work on the part of leaders and youth and months of work and study. The Fair today, while having far outgrown its original size and number of participants, adheres to its original objectives and philosophies. The Portage County Fair of Amherst remains, basically, a 4-H and FFA event.

The Portage County Fair Association is a non-profit organization, serving the community and surrounding area.

The Portage County Fair Association holds annual meetings and is served by an elected Board of Directors and officers. Monthly meetings are held on the first Monday of each month at 7:00 P.M. The public is always welcome to attend these meetings.

The Portage County Fair Association particularly emphasizes and recognizes the effort and talents of the many people in the community and area who contribute so much to make the Fair a success year after year. It is too difficult to single out individuals and we would hesitate in so doing for fear of not

recognizing deserving people regardless of whom they may be. A "Man or Woman of the Year" award has been given over the years, but this is not a mandatory event. In fact, at least one most deserving individual has refused such recognition.

Business people contribute much in the way of advertising support. Dominant organizations would and should include 4-H, FFA, The Tomorrow River Lions, The Amherst Women's Club, The Amherst Garden Club, The Hobby-Lobby Group, The Amherst Boots and Saddle Club, and the Tomorrow River Conservation Club. Many area people are in one or more of these organizations.

Because the Fair Association is a non-profit organization, any income over and above expenses is funneled back into the association for improvements in buildings, grounds, sanitation, and safety. This dedication and purpose have made our facilities what they are today, one of the best in the state. Again, our people and the community can take great pride in our facilities. Continued improvements will be made in the years ahead.

The Amherst Fair officially opens at 6 p.m. on the Thursday prior to the third weekend in July and closes on the following Sunday at midnight.

GENERAL RULES AND REGULATIONS

1. **Eligibility:** Any youth who is a member in good standing of 4-H, FFA, FCCLA, Scouts or a member of any other youth organization under adult leadership that has educational programming and has been approved by the fair board, in the locations specified below, is eligible to exhibit at the fair. Exhibitor must have become a member of their approved youth organization no later than April 1st

Entries are open to any youth enrolled in a Portage County youth organization or living in the towns of Scandinavia, Iola, and Farmington in Waupaca County.

2. **Exhibitors MUST** be in Grades 3 through 1 year beyond high school graduation (maximum age of 19 as of December 31st of the enrollment year), except for 4-H Cloverbuds who may be between 5K (five-year-old Kindergarten) and 2nd Grade. Cloverbuds are limited to exhibiting entries from Department 17-J, Class B, Cloverbuds. When reference is made to the grade of an exhibitor, the grade of the exhibitor as of January 1st of the exhibit year is the grade to be considered.
3. **Exhibits:** All exhibits must be the result of a project carried by the youth during the current organizational year unless otherwise specified in the fair book. Exhibits shall be the product of the exhibitor's own labor. Proof of this fact may be requested if any exhibits are questioned. Exhibits may be ruled out of competition by the Youth Exhibit Committee if proof is not satisfactory. An exhibit may include a study project, merit project or other special project, a skill area, or a supervised occupational experience in which the exhibitor is regularly enrolled, provided the fair board approves the project, skill area or supervised experience as an exhibit. **Exhibits are limited to those areas covered by the education offered through the youth organization that the exhibitor is a member of.**
4. **Fair Entries:** Eligible youth will use the online FairEntry system to sign up for fair exhibits. Access this program by going to <http://amherst.fairentry.com> for Amherst Fair entries.

Exhibitors may not enter more than one item in any one premium/lot number unless specified otherwise in the fair book.

Youth exhibiting beef, sheep and swine at the fair, must have completed the Youth for the Quality Care of Animals (YQCA) certification program within the last 12 months. YQCA certification number must be entered in the FairEntry system.

Premise ID numbers must be entered in the FairEntry system when exhibiting cattle, swine, poultry, pigeons, sheep, goats and horses. Additional information about premise registration can be found at www.wiwd.org.

By completing an electronic FairEntry, any person entering exhibits agrees to abide by the rules and regulations relative to entries, exhibits, judging, payment of premiums and general conduct at the fair. (*Refer to Code of Conduct on pages 4 of this fair book.*)

5. **Fair Entry Due Date:** All entries are due to be entered into the Amherst FairEntry system by the end of the day on June 1st.
6. **Late Entries** will not be accepted. No additional entries may be made at the fair on entry day. Entries may be deleted, but they may not be added. Mistakes made by the exhibitor on the original FairEntry will result in that entry being shown under the lot number in which it was entered. The judge has the right to refuse to evaluate the exhibit.
7. **Entry Fee:** No entry fee or rental is charged to junior exhibitors.
8. **Fair Passes:** Youth, age 13 and older, exhibiting animals that remain on the fairgrounds for the entire weekend of the Amherst Fair, will receive a pass/wristband when they bring in their animal exhibit. Youth 12 and under are free.
9. Cattle, horses, swine, sheep, goats, dogs, cats, poultry and rabbits. **MUST** have been **owned** or **managed** by the exhibitor for a minimum of 90 days prior to the fair, with the exception of spring dairy calves, lambs and junior doe goats which are less than 4 months old. Proof of this fact may be requested if any exhibits are questioned. Exhibits may be ruled out of competition by the Youth Exhibit Committee if proof is not satisfactory.

“**Owned**” is defined as being owned by the exhibitor or the persons who live at the exhibitor's primary place of residence (includes partnerships).

“**Managed**” is defined as having an approved Portage County Managerial Agreement on file in the 4-H office at least 90 days prior to the date of the fair for the animal(s) specified on the agreement.
10. **Animal Health:** All animal exhibits **MUST** comply with the Animal Health Regulations Fairs and Shows in Wisconsin: Season 2023 listed in this fair book. All health papers for large animals and poultry (blood test reports and health certificates) **MUST** be turned in to the barn supervisor or designated person, at the time the animals are being unloaded. Any animal showing signs of infectious disease or deemed unhealthy by the fair appointed veterinarians, will be sent home. Health papers for dogs must be presented to the designated person before exhibitor numbers will be distributed. Any animal which does not have proof of required blood tests or vaccinations will not be allowed to be exhibited. The use of common watering and feeding troughs is prohibited. "Common" means that animals that have been cared for on different premises prior to coming to the

fairgrounds, are sharing the same food and/or water containers while at the fair.

11. All cattle – dairy and beef – **MUST** be polled or dehorned prior to being shown at the fair. Scurs are not attached to the skull with bone and do not pose a safety hazard.
12. The use of power washers and cable halters on any animal while on the fairgrounds, is strictly prohibited.
13. **Clipping and grooming** of exhibitor's animal, exhibitor must be present and actively involved.
14. **Unmanageable animals** that pose a threat to the safety of exhibitors, fairgoers or other animals will be sent home.
15. **Judging** will be done by the Danish System with four placings – Blue, Red, White and Pink unless otherwise stated in the fair book. Any exhibit which is not displayed according to the specific directions listed in the fair book will be lowered one placing. All judge's decisions are final. Refer to page 4 for additional information about judging methods.
16. **Face-to-Face Judging:** There will be individual face-to-face judging for Cake Decorating. Exhibitors are expected to bring their cakes to the exhibit building during the posted time for judging.
17. **Animal Judging Order**
Amherst Market Animal Project Judging Order – Market classes for large animal projects of swine, sheep and beef will be the first class in the department to be judged followed by breeding classes and then showmanship last.
18. **All animal exhibitors** (including small animals such as cavy and birds) **MUST** present their animals to the judge except in championship classes and market animal classes. If exhibitors have two different animals being judged at the same time, they **MUST** make arrangements with the barn supervisor to have another **animal exhibitor** show the animals for them. Other family members who are **not** animal exhibitors may **not** show the animal.
19. **All animals shown at the fairs MUST be cared for humanely and have access to water, feed, and safe, comfortable housing. This is the responsibility of the exhibitor and any evidence of improper care will be cause for removal of the animal from the fair and forfeiture of premium money.** All livestock and small animal exhibitors must sign an Animal Care Agreement for Livestock and Small Animals. (Refer to sample on page 6 of this fair book.)
20. **Animal Bedding:** All exhibitors must supply their own bedding.
21. **Stalls/pens** for animal exhibits should be labeled with an exhibitor card which lists the animal's breed, sex, age or

date of birth, the name of exhibitor and organization that they represent. Signs listing farm names and "For Sale" signs may not be posted on the stalls/pens. Information about the sale of animals may only be posted in the area designated by the fair boards.

22. **Safety and Security:** The fair associations will take every reasonable precaution for the safety and security of the exhibits and exhibitors, but will not be held responsible for loss, damage, or accidents that may occur. **All exhibits are entered at exhibitor's risk.**
23. **Baked goods** (except gingerbread houses) and egg exhibits become the property of the Fair Association and are disposed of at the end of the fair with the exception of the decorated cakes that are sold during the cake auction.
24. **Removing exhibits** from the fair prior to the published release time may result in forfeiture of premiums. Exhibit is defined as the items described on the judge's sheet plus any ribbon and signs/labels required with the exhibit (see No. 25) and any decorations used in the club herdsman competition. Refer to Judging Schedules for dates and times that exhibits are released.
25. **Fair Exhibit Removal:** All non-perishable exhibits displayed in the youth exhibit building at the Amherst Fair must be removed by 6:00 p.m. on Sunday. Any exhibit not removed by the deadline will be taken to the Portage County Extension Office and held for one month. After one month, any exhibits not picked up becomes the property of the Amherst Fair Associations and will be disposed of as deemed appropriate. If an exhibitor is unable to pick up their exhibits from either fair, they should make arrangements for someone else to pick up their exhibits.
26. **The Portage Fair Association-Amherst reserves the final and absolute right to interpret these rules and regulations, and to arbitrarily settle and determine all matters, questions, and differences connected with an incident related to junior fair exhibits.**
27. The Fair Board reserve the right to change or eliminate premiums at any time.

THE DEPARTMENT NAMES, NUMBERS AND CLASS DIVISIONS, AND THE AMOUNT OF THE PREMIUM PAID FOR EACH EXHIBIT IS DICTATED BY THE WISCONSIN ADMINISTRATIVE CODE ATCP 160.

JUDGING METHOD DESCRIPTIONS

DANISH Judging Method:

This is the traditional system whereby all exhibits having the same lot number are presented simultaneously to the judge.

The judge evaluates each exhibit but is only permitted to give a maximum of 25% of ribbons to each group (*blue, red, white & pink*). Exhibitors do not need to be present for this type of judging.

FACE-TO-FACE Judging Method:

This type of judging allows for more flexibility on the part of the judge and the exhibitor. Exhibitors bring their exhibits in to be judged and talk to the judge about the exhibits. Exhibits are *not* compared with other exhibits in the same lot number, but judged on their own merit. The judge may award the ribbon and premium which is appropriate without regard to Danish percentages.

Additional Information About FACE-TO-FACE Judging

What if an exhibitor cannot be present for their face-to-face judging. If the exhibitor is not present, there is no automatic penalty for the exhibitor. It is up to each judge to determine how the exhibitor's absence will affect the placing awarded.

General Face-to-Face Questions you may be asked

- What do you like most about your project?
- What do you like least about this project?
- What have you learned in this project?
- What would you like to learn more about in this project?
- Where did you get the idea for this exhibit? Who helped you?
- What was the easiest part of making this exhibit?
- What was the most difficult or challenging part?

CONFERENCE Judging Method:

In this modified judging method, all lot numbers will be judged together within each class. Judges will place articles according to the Danish System and offer general comments. Exhibitors will be notified of the approximate time projects will be judged so comments can be heard.

YOUTH EXHIBIT COMMITTEE

Committee Membership

- 4 FFA Advisors representing Amherst, Stevens Point, Almond and Rosholt Schools
- 4 FFA Youth selected by the FFA Advisors
- President and Vice President of the 4-H Leaders Association
- President and Vice President of the 4-H Teen Leader Association
- President of the Portage County Market Animal Committee
- 1 Amherst Fair Board Member
- 1 Rosholt Fair Board Member
- 1 Horse Leader
- 2 Exhibit Hall Superintendents appointed by the 4-H Leaders Association
- Amherst and Rosholt Fair Barn Supervisors for: Swine, Beef, Sheep, Poultry, Rabbits and Dairy

The purpose of the committee is as follows:

1. To interpret and enforce the rules and regulations contained in the Official Premium List for the Portage County Fairs.
2. To identify problems which occur during the fair and to make recommendations for resolving/preventing future problems.
3. To discuss and make recommendations for additions/changes which will improve the fairs.

This committee shall hold regular meetings a minimum of three times per year. The first meeting will be held prior to the Amherst Fair. The second meeting will be held between the Amherst and Rosholt Fairs and the third meeting will be held after the Rosholt Fair. Additional meetings may be held if deemed necessary. A committee chair will be elected at the first committee meeting held each year. The chair will be responsible for setting meeting dates, running meetings according to Roberts Rules of Order, appointing a committee member to handle committee correspondence and document meeting business, and appointing subcommittees if deemed necessary. A quorum of seven people is required for voting at the regular meetings.

When an immediate decision is required during the fair, a minimum of three committee members, one from the area of conflict and at least two others from different areas, can be called together to resolve a conflict. Whenever possible, a youth will be included in this subcommittee. The members of this subcommittee cannot be related to the exhibitor.

CODE OF CONDUCT

Exhibitors are expected to behave in ways reasonably acceptable to the public. Exhibitors will:

- Follow the rules and regulations of the Portage County fairs.
- Behave in accordance with applicable federal, state and municipal law.
- Refrain from the consumption or possession of any alcoholic beverages, illegal drugs or tobacco products. No Exceptions.
- Refrain from sexual misconduct.
- Refrain from use of objectionable language (swearing).
- Respect public and personal property.

Any exhibitor violating the above rules (as determined by the Youth Exhibit Committee) may be subject to any or all of the following consequences listed below:

1. Notification of parent or guardian.
2. Exhibitor may be required to appear before the Youth Exhibit Committee or the Fair Board to explain his/her actions.
3. Removal of individual and his/her exhibits from the present year's fair. Any premium earned will be revoked.
4. Revocation of privilege to enter exhibits in future county fairs.

PORTAGE COUNTY FAIR'S ANIMAL EXHIBITOR'S CODE OF ETHICS

Exhibitors of animals at horse, livestock, poultry and other small animal shows shall at all times conduct themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior exhibitors who compete in structured classes of competition.

By entering an animal for exhibition at the Portage County Fairs, the exhibitor consents to abide by the following guidelines:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials
3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4. Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.
5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, confirmation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical

contrivance, or other similar practices are not acceptable and are prohibited.

7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.
11. The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

Adapted from IAFE "National Code of Show Ring Ethics", revised on May 2018, and modified by the Portage County Leaders Association on March 20, 2023.

ANIMAL CARE AGREEMENT FOR LIVESTOCK AND SMALL ANIMALS

Exhibitor Name _____
Name of 4-H club, FFA chapter or other approved organization _____

All youth showing livestock (cattle, swine, sheep, goats), rabbits and poultry must complete and turn in a signed copy of this **ANIMAL CARE AGREEMENT**. All youth must give their forms to their barn superintendent when they bring their animals to the fairgrounds. This form needs to be signed by the exhibitor and their parent/guardian. No youth will be allowed to show their animals at the fair without submitting a signed Animal Care Agreement.

As active members of 4-H, FFA and other approved youth organizations, we need to be concerned about the image that we present to the general community, especially during the fair. Due to the Fairs' visibility, requirements concerning the cleanliness and care of all animals needs to be observed.

- 1) All animals are on display as soon as the public can see them, so they need to be clean and presentable upon arrival at the fair.
- 2) Please check in with your barn superintendent or assistants prior to unloading for visual inspection of all species. Any animals with questionable health issues need to be held back for the official fair veterinarian to inspect.
- 3) Prior to unloading, required health documents must be provided to the barn superintendent. All poultry require an NPIP certificate, a DATCP issued certificate or paperwork certifying a negative pullorum-typhoid test result. A Certificate of Veterinary Inspection (CVI) is required for all swine.
- 4) All animals will be given FRESH water and food at least 2 times a day, once before 9 a.m. and once after 4 p.m. In addition, the animal pens/cages need to be checked throughout the day for feed, water, and overall cleanliness while the barns are open to the public. If this is impossible for you, you must find someone else to take care of your animals. If you cannot do this, we ask that you do not show animals at the Amherst Fair.
- 5) A warning system will be in place to document the time the superintendent notes actionable neglect. A BLUE sticker with the time noted will be affixed to the cage/ stall (swine, sheep, goats, poultry or rabbits), or tack area (cattle) for the area that needs attention. A YELLOW sticker with the time noted will be affixed if the animal(s) need attention. Once the matter has been resolved, the superintendent will remove the sticker.

- 6) If an exhibitor fails to respond to the warning stickers within 2 hours, the barn superintendent will attempt to phone the exhibitor one time. If the exhibitor does not respond in a timely manner to take care of the animal(s) or neglects them a second time, he/she will be asked to remove ALL of his/her animals from the fairground premises. The only exception will be for swine that can move only to a terminal market. These swine will not be allowed to participate in the Market Animal Sale.
- 7) Once you are requested to remove your animals, which will happen in person or with a phone call, you will forfeit ALL premiums in the livestock or small animal categories, whatever categories your animals were exhibited in.
- 8) The final decision on removal of the animals will be made by a group of at least 3 people, all of whom are on the Youth Exhibit Committee, the Market Animal Committee or the Amherst Fair Board.
- 9) All cages/pens and surrounding area are to be cleaned at the end of the Fair when the animals are released. Failure to do so will result in the forfeiture of the animal class premiums.

We would appreciate everyone's cooperation in this matter. We want to continue to present a positive image of 4-H, FFA and other approved youth organizations to those attending the Fair.

ANIMAL HEALTH REGULATIONS FAIRS AND SHOWS IN WISCONSIN: SEASON 2023

This is a summary of animal health requirements for fairs, shows and exhibitions. They are not necessarily the same as requirements for importing animals into Wisconsin or moving them within the state for other purposes. They may change if animal diseases occur in Wisconsin or elsewhere, so always check datcp.wi.gov or contact us for current information.

Fairs or exhibitions may have additional requirements. Exhibitors should contact the event organizers for more information. Ref. s. ATPC 10.87, Wis. Admin. Code.

General Requirements for show organizers

All fairs or exhibitions of any length must obtain, review, and keep for five years all required records and test results:

- Exhibitor's name and address
- Animal identification (number, type, description, and, when required, official identification (see requirements for different animals below))
- Documents showing compliance with disease testing and other health requirements
- Livestock premises number, if any, where animals originated
- Documentation showing legal importation to the event (if applicable) and, when required, movement to the event (see requirements for different animals below)
 - For swine, a record of any swine transported directly to a slaughtering establishment
 - For swine, a record of any swine transported to an animal market where all animals sold at the market sale for that day were shipped directly to a slaughtering establishment

Fairs or exhibitions lasting more than 24 hours must appoint a licensed veterinarian to inspect all animals daily.

Note: Except in specific circumstances, if an animal already bears an official 840 ear tag, that ear tag must not be removed and additional official ear tags must not be applied. Instead, the existing ear tag must be read and recorded when a record of that animal is required. (Ref. s. ATPC 10.045, Wis. Admin. Code)

These regulations apply to all fairs and exhibitions, including additional events (like rodeos, shows, or other organized events) that occur in conjunction with the fair.

DISEASES

Animals that show evidence of having contagious or infectious diseases may not be commingled (or housed/kept) with other animals at a fair, show, or other

exhibition in such a way as to allow disease to spread. Such animals should not attend the fair, show, or exhibition. Animals may be denied entry if they arrive at these events with contagious or infectious diseases, isolated and/or removed if they develop disease after arriving, or be subject to other action as would be necessary to control disease. (Ref. s. ATCP 10.08(1), Wis. Admin. Code)

Bovine animals with ringworm, mange, warts or scab will be removed from the fair or exhibition premises, unless the veterinarian in charge finds warts or ringworm lesions are incapable of transmitting disease.

CATTLE AND BISON

Cattle from within Wisconsin have no requirements for tests or health documents.

Cattle from outside Wisconsin (Ref. s. ATCP 10.22, Wis. Admin. Code) must:

- Be accompanied by certificate of veterinary inspection (CVI or health certificate) a documenting official animal identification (ID) and all required tests and certifications
- Have official individual ID (including steers)^b
- Meet all of Wisconsin's normal requirements for import (see https://datcp.wi.gov/Pages/Programs_Services/CattleBison.aspx)

Acceptable animal IDs^b for all cattle from outside Wisconsin

- USDA metal ear tag number that is part of the National Uniform Ear tagging System (NUES) (starts with state 2-digit code, also known as "brite" tag); this includes the orange brucellosis vaccination tag
- 15-digit "840" tags (visual or RFID)
- Valid only if applied before March 11, 2015:
 - o Manufacturer-coded RFID tag - 15-digit number with the first three digits in 900s
 - o American ID tag - 8 to 12-digit number prefaced with "USA"

Brucellosis requirements for cattle from outside

Wisconsin: No cattle from outside Wisconsin are currently required to be brucellosis tested or vaccinated to come to fairs and shows in Wisconsin

Tuberculosis (TB) requirements^c for cattle from outside

Wisconsin: As of 1/1/23, all cattle from Texas and Michigan's TB Free Zone (for cattle from Michigan's Modified Accredited Zone see below), regardless of sex or age are required to have a negative TB test within 60 days prior to import. For details and requirements by state, see: https://datcp.wi.gov/Pages/Programs_Services/CattleBison.aspx

Cattle from Michigan's Modified Accredited Zone – Alcona, Alpena, Montmorency, and Oscoda counties - (for cattle from Michigan's TB Free Zone, see

requirements by state above) also need:

- Import permit^e
- To originate from a herd that has a negative whole-herd TB test within 12 months before arrival in Wisconsin that includes all animals 1 year and older^c
- Negative individual TB tests within 60 days before entering Wisconsin^c
- A statement indicating the animals will return directly to the state of origin after the show^d.

For information on obtaining an import permit:

- Online https://datcp.wi.gov/Pages/Programs_Services/AnimalMovementPermits.aspx
- Email DATCPanimalimports@wi.gov
- Call (608) 224-4872

Cattle from Canada must meet current federal requirements to enter the United States. (See <https://www.aphis.usda.gov/regulations/vs/iregs/animals/downloads/ca-protocol-imp-cattlebison.pdf>)

Requirements are subject to change as conditions warrant.

For current information, check

https://datcp.wi.gov/Pages/Programs_Services/CattleBison.aspx.

SWINE

Note: These regulations apply to all swine, including pet pigs and racing pigs.

Swine from within Wisconsin (Ref. s. ATCP 10.32(2) and 10.87, Wis. Admin. Code) need a Wisconsin intrastate certificate of veterinary inspection (CVI or health certificate)^a:

Note: Herd of origin means the herd in which the pigs currently reside, likely the exhibitor's herd. When pigs are purchased from a herd, the herd from which they originate is the herd of origin for the seller. Once the purchased pigs are added into the buyer's herd (even if the buyer's herd only consists of one or just a few animals), the buyer's herd becomes the new herd of origin and that herd must meet testing requirements to move pigs again.

- Stating that the entire herd of origin was inspected on the farm within 30 days before the show and no apparent disease was present at the time of inspection^d.

• **Non-terminal Exhibitions:** All swine must have a PRRS (Porcine Reproductive and Respiratory Syndrome) and PEDv (Porcine Epidemic Diarrhea virus) test of the herd of origin within 90 days of the exhibition^c. Include test date, type, and results on the CVI.

- **Terminal Exhibitions:** No testing requirements.^c

Note: Terminal Exhibitions are those at which all the swine go directly from the fair/show to the slaughtering establishment OR to a slaughter only market sale. If going to a slaughter only market sale, contact the Division of Animal Health fair

inspector for required information to collect.

Note: If the fair intends to use a load-out facility, contact the Division of Animal Health in advance to discuss requirements that must be met.

Swine from outside Wisconsin (Ref. s. ATCP 10.30 and 10.87, Wis. Admin. Code) need a certificate of veterinary inspection (CVI or health certificate)^a that includes the following:

- The negative results of the PRRS test^c from the swine's herd of origin conducted within 90 days prior to movement into Wisconsin including test date, type, and results.
- The negative results of the PEDv test^c from the swine's herd of origin conducted within 90 days prior to movement into Wisconsin including test date, type, and results.
- A statement that the veterinarian has inspected the entire herd of origin within the past 30 days and that no clinical signs of PRRS and PEDv or any other apparent disease was present at the time of inspection.^d
- Official individual identification (ID)^b

Acceptable methods of ID for swine are^b :

- USDA silver ear tag
- USDA 840 ear tag, either visual or RFID
- Breed association tattoo if the pig is a purebred and the tattoo is registered
- An ear tag with the premises identification number and a unique identifier
- Ear notch if the pig is a purebred and the notch is registered

Note: Microchips are not accepted as official ID for any swine including pet pigs.

Requirements are subject to change as conditions warrant. For current information and for PRRS and PEDv testing options, check

https://datcp.wi.gov/Pages/Programs_Services/SwineMovement.aspx.

SHEEP AND GOATS

Note: These rules do not apply to non-domestic sheep and goats. See Exotic Ruminants below.

Sheep and goats from within Wisconsin need:

- If sexually intact, need official individual identification (ID)^b at any age.
- If not sexually intact, need official individual ID^b if they are 12 months or older.
- See below for Official ID options.
- Sheep and goats that go to a market or slaughter establishment after the fair should have an owner hauler statement to move from the fair to the market/slaughter establishment.

Sheep and goats from outside Wisconsin (Ref. s.ATCP

10.69, 10.76, Wis. Admin. Code) need:

- Certificate of veterinary inspection (CVI or health certificate)^a and official individual ID^b for all animals.
- See below for Official ID options.
- See below for additional requirements for goats from Michigan's Tuberculosis Modified Accredited Zone.
- Sheep and goats that go to a market or slaughter establishment after the fair should have an owner hauler statement to move from the fair to the market/slaughter establishment.

Official Identification^b includes:

- Scrapie ear tags (including tags on neck straps for animals with absent/injured ears or with official tattoos – see DATCP Website*)
- USDA 840 ear tags
- Legible breed tattoos (see DATCP Website* and NOTE below)
- Legible scrapie tattoos (see DATCP Website* and NOTE below)
- Approved microchips (Electronic Identification/EID) – There are many requirements that need to be met to use microchips including a requirement for accompanying tattoos. See DATCP Website* and NOTE below.
- **NOTE:** All sheep and goats that go through a market or to slaughter and require Official Identification **must be ear tagged** with Official ID. Official ID in the form of a tattoo or Electronic Implantable Identification (EID) is no longer sufficient when moving through a market or going to slaughter.
- **NOTE:** If a Wisconsin origin animal is neutered, less than 12 months of age, and moving through a market after the fair, the market may require Official ID in the form of an ear tag.
- *For more information on official identification and for owner hauler statements see DATCP Website at https://datcp.wi.gov/Pages/Programs_Services/OfficialID.aspx

Goats from Michigan's Tuberculosis (TB) Modified Accredited Zone –Alcona, Alpena, Montmorency, Oscoda counties- also need:

- Import permit^e
- To originate from a herd that has a negative whole-herd TB test within 12 months before arrival in Wisconsin that includes all animals 1 year and older^c
- Negative individual TB tests within 60 days before entering Wisconsin^c
- A statement indicating the animals will return directly to the state of origin after the show.^d

For information on obtaining an import permit:

- Online https://datcp.wi.gov/Pages/Programs_Services/AnimalMovementPermits.aspx
- Email DATCPAnimalImports@wi.gov
- Call 608-224-4872

Requirements are subject to change as conditions warrant. For current information, check https://datcp.wi.gov/Pages/Programs_Services/SheepGoatMovement.aspx.

EQUINE

Equine animals from within Wisconsin need documentation of a negative EIA (Coggins) test done within the previous 12 months, which clearly identifies the animal by complete description, digital photographs, or an approved microchip (if a reader is available). No test is needed for nursing foals accompanying negative dams. Documentation may be:

- Official test report VS 10-11, or
- USDA-approved electronic test form, or
- Global Vet Link EIA electronic form, or
- Certificate of veterinary inspection with the test results listed

Equine animals from outside Wisconsin (Ref. s.ATCP 10.36, Wis. Admin. Code) need:

- Certificate of veterinary inspection (CVI or health certificate) which clearly identifies^b the animal by complete description, digital photographs, or an approved microchip
- Negative EIA (Coggins) test^c done within previous 12 months that is reported on the CVI
- No EIA test is needed for nursing foals accompanying negative dams

Equines from Minnesota are exempt from the CVI requirement if:

- Ownership does not change while the animal is in Wisconsin
- The animal remains in Wisconsin no longer than 7 days
- Proof of a negative EIA (Coggins) test^c in previous 12 months accompanies the animal

Requirements are subject to change as conditions warrant. For current information, check https://datcp.wi.gov/Pages/Programs_Services/HorseOtherEquineMvmt.aspx

POULTRY AND WATERFOWL

Poultry and waterfowl from within Wisconsin need ONE of the following:

- An NPIP certificate stating the flock of origin is a US pullorum-typhoid clean and for turkeys a Mycoplasma gallisepticum clean flock or NPIP affiliate flock^c or
- Documentation the flock of origin is a Wisconsin Tested Flock and has tested negative for pullorum-typhoid and for turkeys Mycoplasma gallisepticum,^c or
- Documentation the flock of origin is a Wisconsin Associate Flock^c, or
- Individual tests for sexually mature birds (turkeys over 6 months, all other birds over 4 months) within 90 days before arrival at the show. These birds also need wing or leg band identification (ID). All birds must test negative for pullorum-typhoid, and turkeys must test negative for Mycoplasma gallisepticum. After testing there can be no change of ownership or commingling with other birds that are not part of the flock except at other shows/fairs.

Note: Flock of origin means the flock in which the birds currently reside, likely the exhibitor's flock. Once purchased birds are added to the buyer's flock, even if the buyer's flock only consists of one or just a few birds, the buyer's flock is the flock of origin and that flock must meet NPIP or WI Tested or Associate Flock status to avoid individual bird testing for shows/fairs.

Poultry and waterfowl from outside Wisconsin (Ref. s.ATCP 10.42, Wis. Admin. Code) need a certificate of veterinary inspection (CVI or health certificate)^a or equivalent (such as form VS 9-3) specifically showing movement to the fair or show that states:

- They originate from a flock classified pullorum-typhoid clean and for turkeys Mycoplasma gallisepticum clean under NPIP or an equivalent state program^c or
- If they are sexually mature, that they have tested negative for pullorum-typhoid (and Mycoplasma gallisepticum for turkeys) within 90 days^c before arrival at the show. These birds also need wing or leg band ID^b.

Not required:

- Import permit number Requirements are subject to change as conditions warrant. For current information, check https://datcp.wi.gov/Pages/Programs_Services/PoultryMovement.aspx.

EXOTIC RUMINANTS

Note: Exotic ruminants are ruminants that are not native to Wisconsin, and are not cervids – for example, Old World camels, yaks, water buffalo, pronghorn antelope, giraffes, and non-domestic sheep and goats. In addition, please contact your county and local municipality for any restrictions.

Exotic ruminants from within Wisconsin have no requirements.

Exotic ruminants from outside Wisconsin (Ref. s.ATCP 10.82, Wis. Admin. Code) must have

- Certificate of veterinary inspection (CVI or health certificate)^a
- Official individual identification (ID) as required for tuberculosis and brucellosis testing^b
- Import permit^e
- Proof written on the CVI that they meet requirements for:
 - o Tuberculosis (TB) – negative test required within 60 days before entry^c
 - o Brucellosis – negative test required within 30 days before entry^c

Please call 608-224-4872 beforehand to determine which TB test to use.

For information on obtaining an import permit:

- Online https://datcp.wi.gov/Pages/Programs_Services/AnimalMovementPermits.aspx
- Email DATCPAnimalImports@wi.gov

- Call 608-224-4872

Requirements are subject to change as conditions warrant. For current information, check https://datcp.wi.gov/Pages/Programs_Services/ExoticSpeciesMvmt.aspx.

SOUTH AMERICAN CAMELIDS: LLAMAS, ALPACAS, GUANCOS, VICUNAS

South American camelids from within Wisconsin have no requirements.

South American camelids from outside Wisconsin (Ref. s.ATCP 10.85, Wis. Admin. Code) must have a certificate of veterinary inspection (CVI or health certificate)^a and official individual identification (ID)^b. Official ID may be:

- Approved USDA ear tag number
 - Microchip number
 - Breed association registration number
 - Breed association tattoo
- Requirements are subject to change as conditions warrant. For current information, check https://datcp.wi.gov/Pages/Programs_Services/LlamaAlpacaMovement.aspx.

SMALL ANIMALS: Dogs, domestic cats, and other household pets (ferrets, pet birds, rabbits, gerbils, guinea pigs, hamsters, domestic mice and rats)

Note: For animals that are part of menageries, see also rules below for menageries. Pot-bellied and miniature pigs fall under rules for swine. Dog hybrids, domestic cat hybrids, or exotic small cat species such as servals fall under rules for Exotic small animals. Native wild animals and birds, including raptors, and captive wild animals such as raccoons, opossums, and skunks fall under rules for wild animals.

Dogs from within Wisconsin (Ref. s.95.21, Wis. Stats.) that are 5 months or older need proof of current rabies vaccination.^f

Cats and other household pets from within Wisconsin have no requirements.

Dogs and cats from outside Wisconsin (Ref. s.ATCP 10.80, Wis. Admin. Code) that are 5 months or older need to be vaccinated against rabies^f by a licensed veterinarian, and regardless of age, need certificates of veterinary inspection (CVIs or health certificates)^a stating the age of the animal and for animals 5 months and older the date of last rabies vaccination and revaccination due date.

Other household pets from outside Wisconsin (Ref. s.ATCP 10.06, Wis. Admin. Code) need certificates of veterinary inspection (CVIs or health certificates)^a but have no testing or vaccination requirements.

Small animals from other nations need to meet requirements of the U.S. Department of Agriculture (608-662-0600) and Centers for Disease Control (1-800-232-4636).

Requirements are subject to change as conditions warrant. For current information, check https://datcp.wi.gov/Pages/Programs_Services/PetMovement.aspx.

EXOTIC SMALL ANIMALS (any species not covered by "small animals" above), exotic large animals, and other wild animals

Note: Local jurisdictions may have requirements beyond the state requirements listed here.

Animals from within Wisconsin do not have any requirements as long as they are legally possessed in Wisconsin.^f

Animals from outside Wisconsin (Ref. s.ATCP 10.84, Wis. Admin. Code) generally have no testing or vaccination requirements, but do need:

- Certificate of veterinary inspection (CVI or health certificate)^a
- Import permit number^e

Note: Some animals may not be brought to Wisconsin^f

These are North American prairie dogs and the following African species: tree squirrels, rope squirrels, dormice, Gambian giant pouched rats, brush-tailed porcupines and striped mice. Some animals may require permits from the Wisconsin Department of Natural Resources. See <http://dnr.wi.gov>.

For information on obtaining an import permit:

- Online https://datcp.wi.gov/Pages/Programs_Services/AnimalMovementPermits.aspx
- Email DATCPAnimalImports@wi.gov
- Call 608-224-4872

Requirements are subject to change as conditions warrant. For current information, check https://datcp.wi.gov/Pages/Programs_Services/PetMovement.aspx.

CIRCUS, RODEO, RACING AND MENAGERIE ANIMALS

Note: Local jurisdictions may have requirements beyond the state requirements listed here.

Animals from within Wisconsin must meet vaccination and testing requirements for their species. See these requirements earlier in this document.

Animals from outside Wisconsin need certificates of

veterinary inspection (CVIs or health certificates) and vaccinations, identification, and tests required for their species. See these requirements earlier in this document. They also need import permit numbers^e (Ref. s.ATCP 10.81, Wis. Admin. Code) if they are:

- Circuses and individual circus acts
- Rodeo stock other than individual participants' horses
- Multi-species menageries (defined as any animals kept in a collection primarily for purposes of exhibition or competition)
- Petting zoos

They do not need import permit numbers if they are:

- Rodeo horses owned by individual participants
- Single-species groups

Note: Some animals may not be brought to Wisconsin. These are North American prairie dogs and the following African species: tree squirrels, rope squirrels, dormice, Gambian giant pouched rats, brush-tailed porcupines and striped mice. Some animals may require permits from the Department of Natural Resources. See <https://dnr.wi.gov/topic/wildlifehabitat/captive.html>

For information on obtaining an import permit:

- Online https://datcp.wi.gov/Pages/Programs_Services/AnimalMovementPermits.aspx
- Email DATCPAnimalImports@wi.gov
- Call 608-224-4872

Requirements are subject to change as conditions warrant. For current information, check https://datcp.wi.gov/Pages/Programs_Services/CircusesRodeosMenageries.aspx.

GUIDELINES FOR HOUSING AND MANAGING ANIMALS

The State Veterinarian recommends that exhibitors:

- Vaccinate breeding cattle against bovine viral diarrhea (BVD) at least 30 days before the event
- Test cattle for BVD-PI by immunoperoxidase test, and bring them to shows only if they test negative
- Test cattle for Johne's disease by ELISA test, and bring them to shows only if they test negative
- Clean and disinfect vehicles used to transport animals to and from the show, and vehicles used on the grounds before, during, and after the show
- Isolate exhibited animals returning to their farms or animals purchased at the show for 21 days before mingling them with other stock

The State Veterinarian recommends that show organizers:

- House cattle separately from South American camelids and other exotic ruminants
- House cattle separately from small ruminants, especially sheep
- House ostriches, emus, rheas and cassowaries separately from domestic poultry
- House swine separately from any other mammals
- Include a space for the premises registration code on livestock entry forms
- Provide hand-washing stations near all livestock facilities
- Provide individual watering and feeding troughs rather than common ones

All poultry and waterfowl exhibits must meet the state health regulations listed in this fair book under Animal Health Regulations Fairs and Shows in Wisconsin: 2023 Season. At the time of this fair book printing, the current requirements for poultry and waterfowl are:

Poultry and waterfowl that originate from flocks within Wisconsin need:

- **An NPIP certificate** stating that they originate from a US. pullorum-typhoid clean or NPIP affiliate flock, **or**
- **A DATCP-issued certificate** stating they are from a Wisconsin tested or associate flock, **or**
- If they are **sexually mature**, individual wing or leg band ID and a negative test for pullorum-typhoid (and *Mycoplasma gallisepticum* for turkeys) within 90 days before arrival at the show Sexually mature birds are 4 months of age for all poultry except turkeys which must be at least 6 months of age.

Poultry that have been tested must be accompanied by a **Wisconsin Individual Poultry Test Report or Clean Flock Report**. Individual identification must be included on the test report. Failure to present proof of required paperwork and/or required health test will result in immediate dismissal from the fairgrounds.

Birds which do not originate from a certified flock and are not sexually mature may not be tested therefore they may not be exhibited at the fair.

The Animal Health Regulations Fairs and Shows in Wisconsin: 2023 Season may change if animal diseases occur in Wisconsin or elsewhere, so you should always check https://datcp.wi.gov/Pages/Programs_Services/FairsShowsPoultry.aspx for current information.

Refer to:

https://datcp.wi.gov/Pages/Programs_Services/PoultryFlockPrograms.aspx for frequently asked questions about the poultry and waterfowl health rules and regulations.

All Poultry must have a leg or wing band for identification.

CLASS D - CLOTHING REVUE

Clothing Revue is a part of the 4-H clothing project and all clothing project members and Explorers, even if Clothing was not a second project, should participate. Clothing Revue is held prior to the fairs. Entries will be judged on (a) suitability of the garment for the individual and its purpose; (b) general appearance, neatness, posture, fit; (c) construction to the extent that it affects general appearance.

Cloverbuds are invited to model items they have made or purchased. They will not receive a premium but will receive a participation ribbon. They may register the day of the Clothing Revue.

Each member may enter one constructed garment class (two if one is for another individual) and one purchased garment class.

Members entering a purchased garment must submit a Consumer Buying Information sheet with that entry. Information forms are sent to Clothing project members prior to the Clothing Revue.

Youth no longer need to qualify through a County Clothing Revue to participate in the State Fair Clothing Revue. Any member 12 and older at the time of the State Fair is eligible to participate in the State Fair Clothing Revue. Members who anticipate that they may be eligible for State Fair must submit an application by June 1st. (See the Wisconsin State Fair Youth Expo website for detailed information and application forms.) At the time of the County Clothing Revue up to 2 members exhibiting may be chosen to have financial support from the Portage County 4-H Leader's Association for their trip to State Fair.
